Peter MacDonald Receives Presser Music Award

Peter Fraser MacDonald, a DMA student in composition, was selected to receive the Presser Music Award for the 2003-2004 academic year. The $7,500 award will support his collaborative work with Opera Victoria’s Composer/Librettist Laboratory toward the creation of a full-length opera entitled “Siddartha.”

The University of Miami School of Music is one of fifteen schools nationally that has been selected for the Presser Music Award for the career development of a returning graduate student in performance, composition, musicology, or music education.
